A weekly newsletter from St Nicholas Anglican Church,
Mordialloc
FIFTEENTH SUNDAY AFTER PENTECOST 6TH SEPTEMBER 2026

We don't live the Christian journey alone. We are called to live out our faith in community. It is such a joy when churches and communities get along and have the same purpose and direction.

So much can be done for the good of the individual as well as the good of the community. However, I have been around long enough, and I am sure so have you to know that life doesn't always work that way.

In any group there will always be politics and issues that need to be dealt with. Being with people brings much joy but can also bring much challenge. Jesus knew this and he wanted to help his followers to be able to be in community in ways that brought life and happiness.

This is why he said in verse 10 "For where two or three are gathered in my name, I will be there among them"

We are called to keep our focus on Jesus even when we don't physically see him. He is still here to guide us and support us and help us live in community.

When our focus is on Him, we can have a better sense of what is important. This does not mean things will always be easy, but it does mean we have support for today as well as tomorrow

How do we, as disciples of the risen Christ makes this real in our community of St Nicholas. For me, it is being aware that Jesus is with us in a very real sense. I like you are called to keep our focus on him. He will guide us and direct us each step of the journey for the good of the community.

May we be blessed as we continue to gather in His name.

Shalom
