Second Sunday after Easter 12th April 2026

Please wear your name tags to help Fr Christo learn who we are.

Dear Friends,

Greetings to you all in the name of our risen Lord Jesus Christ. Indeed, I am pleased to communicate with you all through this Pew Sheet.

We are now in the period known as Eastertide a season of 50 days in which we celebrate the Resurrection of Christ our Lord. A week ago, we remembered his death, and now we remember his life. Christ died so that we could live. Now that he lives, we can enter his resurrection hope, resurrection power and resurrection joy.

New life, renewed hope reminds us that Jesus has power over death and sin. The risen Lord brings new life, new hope, renewed strength through the words of Scripture and the breaking of bread. New life and new hope were given to the disciples who were in fear after Jesus was crucified. Resurrection of Christ is the foundation of our Christian faith. So as followers of the risen Christ let us be bold in living and witnessing as Easter Christians.

Let us strive hard to bring about the peace of the risen Christ to those who are in despair, hopeless situations, and are longing for a world without wars, injustices and poverty. Peace of the risen Lord be with you all

With every blessing

Fr. Christo

Blessings for families and households

'Children are a heritage from the Lord, offspring a reward him' (Psalm 127:3)

The word of God is very positive about marriage and children. The family with different generations is a true blessing from the Lord. How vital that the members of the MU continue to support marriage and family life. We were created as relational people and the blessing of good relations with family is immense. We should be so thankful to God for this provision and if he has blessed us in this way, we need to rejoice. One thing we can do is to include single people in our family life and honour them as well.

Question for thought:

How can I support marriage and Christian family life in our society?

Thank you to all of those who assisted in our Working Bee to make our Church beautiful for Easter
