*A weekly newsletter from St Nicholas Anglican Church, Mordialloc*

## 3<sup>rd</sup> Sunday after Epiphany

*Sunday 26<sup>th</sup> January 2025*

### *From Fr. Ron*

Dear Friends,

Welcome to a first edition of Mordialloc Moorings for 2026. It doesn't seem that long ago that we were on the other side of Christmas anticipating our celebration, and now here we are heading towards the end of January, looking ahead to the new year, and all that it might bring to us. We are currently journeying through the season of Epiphany, whose major theme centres around light - the light of Christ that shines in the darkness. Indeed our first reading from Isaiah for this Sunday's worship, highlights the coming of the light to all who have walked in darkness, which I'm sure would include all of us at some stage in our lives.

*"The people who walked in darkness have seen a great light; those who lived in the land of deep darkness, on them light has shined."*

In our gospel reading from Matthew, our Saviour Jesus, is presented as the fulfilment of Isaiah's prophecy: Jesus is the light that comes into the darkness. Jesus command "repent", challenges us to turn from darkness to light. To walk in the light is to hear the call and follow Jesus.

For those who take note of these things, you would see that our reading from Isaiah, is in large part the reading we had for our Christmas services. We get this reading now to remind us that a theme such as light that we might normally associate with Christmas are really "Christ" centred themes, and permeate the entire year.

It is a fact that we take light for granted in our modern age; it's so easily available with a flick of the switch. But walking in the light of Christ, is not so easy! Let us remember that at our baptism we were given a light with the words: **You have received the light of Christ; walk in this light all the days of your life.** To which everyone would reply: **Shine as a light in the world to the glory of God the Father.** Let us commit to be 'light-bearers' to all who we come in contact with, in every situation we find ourselves. *Peace and Grace to you. Fr Ron.*

*"The people who walked in darkness have seen a great light; those who lived in the land of deep darkness-on them light has shined."*

*Worship Rosters for February 2026 are now available. If you have not already had yours emailed to you, pick up a hard copy in the Narthex.*

Gratitude bestows reverence,  
allowing us to encounter everyday  
epiphanies, those transcendent  
moments of awe that **change  
forever how we experience  
life and the world.**
